- 3. It is understood that in selecting the particular bargaining unit members who are to be offered extended contracts or other comparable professional summer employment, the criteria utilized shall include competence, experience and years of service, and that other things being equal, bargaining unit members with the most service shall be given preference.
 - 4. During the period of any such extended employment, the terms of this Agreement shall be applicable only with respect to any extended work period in the same position as held during the school year.

D. Reduction of Staff

Whenever it becomes necessary to reduce the number of professional ancillary personnel (Article II.A.1. of this Agreement) on the staff of the Kent Intermediate School District because of insufficient funds, decreases in student enrollment, lack of work, changes in the educational and administrative programs of the District, or for other reasons, or to recall staff from layoff, the following procedures shall be followed in making such a reduction:

Reduction in the Professional Ancillary Staff of the Kent Intermediate School District shall be based upon the principles of, seniority, certification and/or approval, and qualifications, where applicable, and shall be carried out within each department and/or section of the District.

The reduction and recall procedures for all other bargaining unit members will be delineated in Board Policy and corresponding Administrative Guidelines.

E. Seniority

- 1. Seniority shall be computed from the most recent date of hire in a professional position minus any time spent on layoff or unpaid leave

(except that time spent on sabbatical, military leave, career exploration or child care leave shall count toward years of service and shall not be deducted). Absence due to illness shall not constitute an unpaid leave within the meaning of this provision unless the bargaining unit member is formally placed on leave of absence.

2. Seniority will not accrue for those individuals who assume administrative positions. For the duration of their administrative position, their seniority will be "tolled". An individual may return from an administrative position if a vacancy exists. If an individual returns from an administrative position, their seniority will continue to accrue from the point at which their seniority was tolled.
3. As of the 2024-25 school year, for new hires within the bargaining unit having the same date of hire / Board approval, the sum of the individual's last four digits of the Social Security Number will be applied - with the greatest sum being most favorable for initial seniority.
4. Part-time employment of 0.5 FTE or more shall be counted as continuous service and shall not be prorated. For purposes of continuous service part-time employment of less than 0.5 FTE shall not be counted.
5. For purposes of continuous service, an individual working full-time must be actively employed for a minimum of ninety-one (91) days during the regular contract year.
6. Seniority shall be lost for all purposes where:
 - a. employment is terminated for any reason;
 - b. a bargaining unit member does not return to employment after an approved leave of absence;
 - c. a bargaining unit member has been on layoff for more than three (3) years; or
 - d. a bargaining unit member's certificate/approval lapses.
7. Credit given, for salary or other purposes, for prior experience or for any other reason other than continuous service to the Kent Intermediate School District shall not be included for purposes of determining seniority hereunder.
8. Reduction Process for Professional Ancillary Staff

In the event it becomes necessary for the Board to reduce the Professional Ancillary Staff, the following procedures shall be followed:

- a. The Board shall prepare a seniority list by either department or section showing professional personnel who are currently working or are qualified to be working in that department/section.
- b. The seniority list above shall be made available to the Association by January 31st of the fiscal year.
- c. Each professional bargaining unit member shall have five (5) work days to request any appropriate correction in the seniority list should the bargaining unit member believe that information contained therein is inaccurate. The final decision as to accuracy of information contained on the seniority list shall be left to the Superintendent. If no request is made within five (5) workdays, this shall constitute a waiver of a bargaining unit member's right to a change or correction unless allowed by administration for extenuating circumstances.
- d. In the event it becomes necessary to reduce Professional Ancillary Staff, the Board shall issue layoff notices to those individuals who are lowest on the seniority list for that department/section as defined in E-8.a. above.
- e. Persons holding positions in other sections/departments who are on layoff status shall have the option to bump the least senior Professional Ancillary Staff member in another department/section holding a position for which he/she has more seniority, provided they are not recalled by August 1st of current fiscal year to a position which requires their certification/approval.
 - 1) In the event of staff reductions where one staff member intends to bump into another position for which he or she is certified and qualified, such intent must be declared no later than June 1. The process must be completed by July 1 in order to provide ample notice of displacement to the affected staff member(s).

To be placed in a position, a Professional Ancillary Staff member is qualified if he/she has State of Michigan approved certifications/ qualifications to perform the specific assignment for which he/she is requesting, and has recent and relevant work experience.

- 1. "Certified" for purposes of bumping rights shall be indicated by State Certification or LARA licensure.
- 2. "Qualified" for purposes of bumping rights shall be defined as follows:

- a. Staff member must hold the certifications/licenses needed to teach the curriculum. A point of reference for the curriculum shall include TRAC duties and tasks.
 - b. Staff member must work within the same career pathway as the staff member he or she is bumping.
3. The certifications and licenses for each position are contained in the job descriptions. Job descriptions are subject to periodic revision to be reflected in the posting of vacancies. The administration will make a good faith effort to keep the Association president apprised of substantive changes to such job descriptions.

9. **Recall of Professional Ancillary Staff Members**

In the event the Board finds it necessary to recall Professional Ancillary Staff from layoff, the following procedure will be used:

- a. Professional Ancillary Staff on layoff shall have the right of first recall on a seniority basis to any vacant position for which they are properly certified/approved and qualified.
- b. It shall be the responsibility of Professional Ancillary Staff on layoff to keep the Kent Intermediate School District fully informed of an address and telephone number at which they may be reached should contact be necessary.
- c. Professional Ancillary Staff having less than two (2) years of continuous service may be reinstated, upon request, at the sole discretion of the Superintendent.
- d. Professional Ancillary Staff on layoff must accept any full-time Professional position offered for which they are qualified and certified/approved within four (4) calendar days after such offer has been made via email and phone to the last known contact information.
- e. Professional Ancillary Staff who fail to accept an offered full-time Professional position within four (4) calendar days after such offer has been mailed shall be considered to have forfeited their rights to recall with the Kent Intermediate School District.
- f. The Board will provide assistance to laid off staff, seeking employment with constituent districts, through proper notification to the districts of the availability of the personnel on lay off status.

O. Bargaining Unit Member Protection/Assault

If a bargaining unit member, acting in the line of duty, is assaulted, the incident shall be immediately reported to the School Board or its representative. The School Board shall provide assistance to the bargaining unit member in connection with handling of the incident which may include legal counsel if the District is subject to legal action as a result of the incident.

In case of an assault by a student or students on a bargaining unit member, while the bargaining unit member is acting in the line of duty and while the student is under the school's jurisdiction, causing damage to the bargaining unit member's clothing and/or glasses, the School Board shall make an equitable financial settlement for such loss with the bargaining unit member involved. Such damage

shall be reported immediately to the building Administrator of the building in which such damage occurred.

In cases of physical assault resulting in an injury inflicted by a student(s) on a bargaining unit member while the bargaining unit member is acting in the line of duty and the student is under the jurisdiction of the school and when the bargaining unit member is found not to have provoked the incident, the time lost, if any, by the bargaining unit member shall not be charged against the bargaining unit member's accumulated leave day(s) and the bargaining unit member shall continue to be paid by the School Board up to a maximum of 30 work days subject to supporting medical documentation. When workers' compensation is paid, the School Board shall pay the difference between that sum and the bargaining unit member's regular salary utilizing the bargaining member's accumulated paid leave, if any. A. Salary

1. The salaries of bargaining unit members covered by this Agreement are set forth in the salary schedules attached hereto.
2. The salary schedules are based on a contractual period of 182 work days.
3. Salaries for additional periods shall be as determined by the Board for the particular services involved. B. Financial Gain

Bargaining unit members shall not sell, market or otherwise offer for additional financial gain, professional services or commercial materials or products to teachers, employees, pupils or parents in constituent school districts where the bargaining unit member provides services under employment with the Board.

See new
Appendix G

3. Credit on the salary schedule for a new degree or preparation level shall be given in the first semester after such degree is granted.

To receive salary schedule advancement credit, all courses taken and degrees conferred will be from a regionally accredited college or university. Official transcripts will be ordered by the bargaining unit member and sent to the Human Resources Department by the college or university to document the advanced credit. Transcripts will be paid for by the bargaining unit members. Placement on the salary schedules listed in the Appendix of the agreement is determined by the following:

BA = Completion of an undergraduate BA degree program with a four (4) year diploma from a college or university. (See Section C.10 for Annual Authorization of Vocational Education Instructors.)

BA +18 = To qualify for the BA +18 salary schedule, a bargaining unit member must have successfully completed probation in a KENT ISD bargaining unit position. In addition, eighteen (18) semester hours of approved graduate credit in education or work related courses must be earned after a BA degree is awarded.

MA = Master's degree in education or a work related field acceptable to the Board.

MA +15 = Fifteen (15) semester hours of approved graduate credit in education or work related courses earned after the award of a Master's degree described above.

MA +30 = Thirty (30) semester hours of approved graduate credit in education or work-related courses earned after the award of a Master's degree described above, or holding an active ancillary license that required an MA graduate degree program of at least 57 graduate credits.

MA + MA shall be accepted as an alternative to MA +30.

5. Any bargaining unit member that has a Master's degree and qualifies for the M.A. salary schedule may receive SCECH or DPPD credit for salary schedule advancement if all of the following conditions are met.
- a. approval of the Assistant Superintendent for HR/Legal Services is received prior to registration;

- b. all workshop, class or conferences that will be used for SCECH credit will be taken after 9/90;
 - c. the workshop, class, or conferences for which SCECH credit is issued must be in an area directly related to the bargaining unit member's current work responsibilities with the Board;
 - d. a SCECH "certificate of completion" will be provided the Personnel Office indicating the date, topic of workshop/class, and number of CEU/SCECH credits;
 - e. the bargaining unit member's participation in the workshop/class for SCECH credit will be during non-contract work hours;
 - f. a staff member cannot receive both college credit and SCECH credit for the same activity;
 - g. SCECH may only be used for MA +15, MA +30 and MA +MA salary advancement.
6. For salary advancement twenty five (25) SCECHs will be equivalent to one (1) semester hour of graduate credit. The SCECH formula follows:
- College credit: 1 semester credit = 25 professional learning hours
 - SCECH hours: 1 SCECH hour = 1 professional learning hour
 - DPPD hours: 1 DPPD hour = 1 professional learning hour
7. Bargaining unit members achieving a doctoral degree will receive a \$1,000.00 doctoral bonus, to be paid annually.
8. For subsequent years following the first school year spent at step 20 of any column on the salary schedule, the following payments will take place off schedule and be paid in June:
- 1st such year after Step 20 - \$1200
 - 2nd such year after Step 20 - \$1300

10. Annual Career Authorization for Career and Technical Education Instructors

Application for Annual Career Authorization is made by the District for those instructors who do not possess teacher certification for the Vocational area to which they are assigned.

Instructors approved for Annual Career Authorization will be placed on the BA schedule. No Career and Technical Education Instructor will be placed on a salary schedule beyond the BA until s/he obtains teacher certification and meets all other criteria as defined above.

Step placement on the BA salary schedule for Annual Authorization instructors shall be determined by the Administration. Consideration of related work experience will be given when determining initial placement.

Note: In the case that a new CTE instructor on an ACA is placed competitively on the BA scale based on industry experience, the parties agree that the BA step increment at the time of hire does not by default carry over to the instructor's placement at a higher degree lane once a CTE endorsement is achieved. Doing so may disadvantage those instructors who are hired with a CTE credential. In such circumstances, the administration may apply discretion in placing the instructor at the corresponding lane step increment that is aligned to the instructor's credential, salary and experience.

Example: A CTE instructor requiring an ACA is placed at Step 10 of the BA scale at hire. Upon earning the required CTE certification / endorsement the instructor may be placed in the appropriate degree lane at a Step that is most closely aligned with (without being less than) the most recent BA salary, regardless of the BA Step increment.

11. For the 2024-25 school year, center program bargaining unit members who are regularly and consistently assigned to a classroom that is designated by administration as an ASD or EI classroom shall receive additional compensation in the amount \$750 in December and \$750 in June (if completing the full school year.) The additional compensation is based on actual classroom designation (not on any one student or students in a classroom.) The administration reserves the right to continue, modify or discontinue this additional compensation following the 2024-25 school year and such decision will not be subject to grievance or arbitration.

D. Salaries for New Bargaining Unit Members

1. A bargaining unit member who has had no experience in his specialization, or in an approved related field, shall receive the salary at Step 1 for his/her particular degree.

2. Bargaining unit members with experience outside the Kent Intermediate School District will be given credit to and including five (5) years, or more if approved by the Superintendent or designee.

E. Reinstatement on Salary Schedules

F. Medical Insurance

Effective August 12, 2024, the Employer shall pay not more per month towards the medical plan than the following amounts: \$641.90 single; \$1,342.42 two person and \$1,750.65 family. In such case, the difference shall be deposited to the bargaining unit member's health savings account (H.S.A.) or medical flex account no later than 30 days from the implementation of the plan.

Effective January 1, 2025 through December 31, 2025, and continuing each January 1 thereafter during the life of this agreement, the employer's monthly cost shall increase by not more than the PA 152 percent increase for that medical benefit plan coverage year published by the State Treasurer. Plan D – MESSA Essentials \$375/\$750 20% Co-Insurance

Cash in Lieu (Medical Waived) 75% of PA 152 Single Subscriber Hard Cap

These plan options, rates and the respective employee contributions are estimated only and will be subject to adjustment based on updated claims experience that influence the annual illustrative rates, as well as any other adjustments as defined in this section. Any changes will be communicated through Open Enrollment. Such adjustments in the employee costs based on these factors shall not be subject to challenge or grievance.

In spring of 2025, in preparation for the 2026 medical benefit plan year (1/1/2026 – 12/31/2026) the parties agree to collaborate to identify and compare at least three different medical insurance carriers with various plan options to be presented and considered via a side-by-side analysis prior to the end of the 2025-26 school year. This with the intention of allowing the unit members to make informed decisions for open enrollment 2026.

The District shall not pay more towards annual medical costs than the hard cap limits established pursuant to section 3 of the Publicly Funded Health Insurance Contribution Act.

1. Bargaining unit members employed less than full time, but at least half-time, will receive a prorated share of medical if they contribute their prorated share for insurance coverage, provided that the District is not required to pay on their behalf any penalty, exchange, fee or other cost as a result of PPACA.

Only 12 of the 26 weeks may be for a FMLA-qualifying reason other than to care for a covered service member.
3. Employees who qualify for FMLA due to the birth of a child shall be eligible to use accrued paid leave for six (6) weeks following a vaginal birth or eight (8) weeks following a caesarean birth. The utilization of paid leave may be extended with medical documentation establishing that the employee continues to experience a serious health condition related to the birth beyond the initial 6-8 weeks. Accrued paid leave may be used by staff members to care for a spouse who has given birth for up to two (2) weeks following the birth. Use of additional accrued paid leave by the spouse may also be approved by the District beyond the two weeks with appropriate medical documentation. Upon return from an approved FMLA leave for the birth of a child (or legal adoption) the district will restore up to 5 paid leave days that were used during the leave. The father in such case may use up to 10 paid days from his sick leave bank, to the extent he has sick days available. In the event that medical complications require a longer leave for the illness of a spouse, up to 30 additional sick days, if available, may be used for that spouse's personal illness upon providing the District with medical documentation requiring such additional leave.
8. In the event that an employee will require intermittent or reduced leave under the terms of the FMLA due to planned medical treatment, the District will work with the employee to arrange a mutually agreeable leave schedule according to the provisions of the FMLA. **The employee must consult with the District and make a reasonable effort to schedule planned medical treatment so as not to disrupt unduly the District's operations, subject to the approval of the health care provider.**
9. Upon the employee's return from leave, he/she will be restored either to the same position of employment previously held or an equivalent position with equivalent employment benefits, pay and other terms and conditions of employment. Assignment of the employee will be the decision of the Board.

Health benefits will be continued during the leave under the same conditions and at the same level as if the employee were employed. To maintain insurance coverage while on unpaid FMLA leave, an employee will need to continue to make any normal contributions to the cost of health insurance premiums. Cash-in lieu payments will not continue during unpaid FMLA.

A bargaining unit member who does not return to work at the end of the FMLA Leave will be expected to reimburse the School Board for the medical,

dental and vision premiums or expenses, whichever is applicable to the bargaining unit member.

Seniority will continue to accrue during the leave.

C. Participation

Any participation in SBDM/TQM, whether in full or in part, shall be voluntary. The participation or lack of participation of an individual bargaining unit member or group of bargaining unit members in SBDM/TQM shall neither be considered nor have merit in the Board's decisions regarding the discipline or discharge of any bargaining unit member.

D. Membership

Total quality teams will be formed in each building representative of teachers, non-instructional staff and when possible employers, advisory committee members, parents and students.

ARTICLE XIV

SAVINGS CLAUSE

If any provision of this Agreement or any application of this Agreement to the Association, the Board or a member of the Board, shall be found contrary to law, then such provision or application shall not be deemed valid and subsisting except to the extent permitted by law, but all other provisions or applications shall continue in full force and effect.

If such illegality is discovered, good faith negotiation between the Association and the Board are agreed to. If such negotiations do not lead to resolution within thirty (30) days, binding interest arbitration, as outlined in Article V in this Agreement, may be employed and may be initiated by either party.

ARTICLE XV

CONTINUITY OF OPERATIONS

Both parties recognize the desirability of continuous and uninterrupted operation of the instructional program during the normal school year. Since a grievance procedure has been established to handle unresolved disputes, the parties agree that neither the Association nor its members nor any person acting on behalf of the Association will cause, authorize, support or take part in any strike (i.e., concerted failure to report for duty, or willful absence of a teacher from the teaching position, or stoppage of work or abstinence, in whole or in part, from the full, faithful, and proper performance of the teacher's duties of employment) to occur during the life of this Agreement.

ARTICLE XVI

DURATION OF AGREEMENT

A. Duration

Both parties have entered into and conducted good faith negotiations in which each party has had the right and opportunity to make demands and proposals with regard to all mandatory subjects of bargaining. Agreement has been reached between the parties hereto including formal ratification of the terms hereof by the governing body of the Board and by the employees represented by the Association and as such, it is understood that no changes involving the terms of this agreement which may affect the parties may be made without the written agreement of both the Board and the Association.

This contract shall be effective as of August 12, 2024, and shall continue in effect until August 13, 2027.

B. Extension

This Agreement shall not be extended orally, and it is expressly understood that it shall expire on the date indicated.

**Additional Personnel Provisions and Procedures Pertaining Only
to Classroom Teachers**

For the purposes of this collective bargaining agreement, subjects contained in this Appendix "B" shall apply only to Teachers as defined in Section 1249 of the Michigan Revised School Code as of July 1, 2024. That definition and the associated provisions within this Appendix shall not apply to professional ancillary staff nor shall it apply to any certificated persons within the bargaining unit who are not currently assigned to deliver instruction directly to pupils as teacher of record. Should Michigan Revised School Sections 1248 or 1249 be amended, the parties agree to meet and bargain over the impact of the amendments, if evaluation, placement, and layoff/recall decisions remain a mandatory subject of bargaining.

Teacher Placement

This language is intended only as a summary of Board policy 4402, the portions referring specifically to teachers as defined above. This summary does not alter or limit the Board policy in any way, nor does it subject the policy, including this summary, to grievance or arbitration unless expressly provided by law. (See Board Policy 4402 for additional details)

Decisions regarding the appropriate placement of effective teachers shall be determined by the Superintendent or designee at their discretion. The uniqueness of CTE and Center Programs operated by Kent ISD require that the administration have the discretion to determine teacher placement.

Placement includes, but is not limited to, assignment, transfer, or the filling of a position with current staff or newly hired teachers. Placement does not include reduction in force or recall decisions.

Teacher placement decisions shall be based on the following clear and transparent factors:

- a. Staffing the curriculum with the most effective, certified, and qualified teachers to instruct the applicable courses, grades, and school schedule.
- b. Appropriate certification, approval, or authorization for all aspects of the assignment. The certification, approval, or authorization, as applicable, will be determined by the Revised School Code, MDE's Teacher Certification Code, MDE's Rules for Special Education Programs and Services, and other applicable statutes and regulations.
- c. Teacher placement decisions must be made based on teacher effectiveness criteria established in Revised School Code Section 1249.

- d. Teacher placement decisions will be guided by the following criteria:
 - i. Retaining the most effective teachers who are certified (or otherwise approved or authorized) and qualified to instruct the courses within the curriculum, academic level(s), and department(s).
 - ii. Teachers must be properly certified, approved, or authorized for all aspects of their assignments. The teacher's certification, authorization, or approval status will be:
 - A) Determined by the Revised School Code, MDE's Teacher Certification Code, MDE's Rules for Special Education Programs and Services, and other applicable statutes and regulations; and
 - B) Based on documentation on file with the Superintendent's office.

A teacher must maintain valid certification, approval, or authorization, as applicable, and is responsible for filing a copy of the certificate, approval, or authorization with the Superintendent's office in compliance with Revised School Code Section 1532.

If a teacher petitions for nullification of the teaching certificate or any endorsement, the teacher must promptly provide written notice of that petition to the Superintendent's office.
 - iii. In addition, teachers must be fully qualified for all aspects of their assignments, as determined by the Board, based on documentation on file with the Superintendent's office, including:
 - A) Compliance with applicable state or federal regulatory standards, including standards established as a condition to receipt of foundation, grant, or categorical funding;
 - B) Credentials needed for District, school, or program accreditation;
 - C) District-provided professional development, training, and academic preparation for an instructional assignment that is anticipated to contribute to the teacher's effectiveness in that assignment and is integrated into instruction;
 - D) Relevant special training, other than professional development or continuing education as required by state or federal law, and integration of that training into instruction in a meaningful way;
 - E) Disciplinary record, if any
 - F) Length of service in a grade level(s) or subject area(s);
 - G) Recency of relevant and comparable teaching assignments;

- H) Previous effectiveness ratings;
 - I) Attendance and punctuality;
 - J) Rapport with colleagues, parents, and students;
 - K) Ability to withstand the strain of teaching;
 - L) Compliance with state and federal law; and
 - M) Other relevant factors as determined by the Superintendent or designee.
- e. Length of service may be considered as a tiebreaker if a teacher placement decision involves 2 or more teachers and all other factors distinguishing those teachers from each other are equal.

Each year, not later than March 1st, a teacher may express in writing a preference for and/or request for consideration for a teacher position for which the bargaining unit member is certified and qualified. Such requests submitted to the KCTC Principal or the Director of Center Programs and may be considered by the administration, but does not guarantee any request will be honored. All placement decisions must be made in compliance with the ISD's clear and transparent placement procedures.

Vacant Positions

The Superintendent or designee determines when a vacancy exists. Generally, a vacancy is an unassigned, open position or a newly created position which the District intends to permanently fill. Consistent with Board Policy 4205, vacancies may be posted by the administration and be filled by a certified and qualified internal or external candidate consistent with policy. The Superintendent or designee has full discretion to assign Professional Staff or contractors to cover employee absences consistent with business necessity and operational needs.

Teacher Reduction in Force and Recall

This language is intended only as a summary of Board policy 4405, the portions referring specifically to teachers as defined above. This summary does not alter or limit the Board policy in any way, nor does it subject the policy, including this summary, to grievance or arbitration unless expressly provided by law. (See Board Policy 4405 for additional details)

When making program and staffing decisions resulting in the elimination of a teaching position or the recall of a teacher to a vacant teaching position, the Board will retain the most effective classroom teachers who are certified and qualified to instruct courses within the applicable curriculum, academic levels, and departments. The Board has the exclusive right to determine the size of the teaching staff based on curricular, fiscal, and other operating conditions. To the

extent that the determinations involve Revised School Code Section 1248 requirements, the clear and transparent procedures of this Policy shall guide the implementation of that statute.

General Provisions:

The Superintendent is responsible, acting within the approved budget, for establishing the number and nature of teaching assignments to implement the approved curriculum. If the Superintendent determines that insufficient funds are budgeted for the existing teaching staff or that a reduction in teaching staff is necessary due to program, curricular, or other operational considerations, the Superintendent will recommend to the Board the teaching positions to be reduced.

Reduction in force and recall decisions must be made based on teacher effectiveness criteria established in Revised School Code Section 1249 and Policy 4403.

Decisions about the reduction and recall of teachers will be guided by the same criteria as shown above in Teacher Placement (d, i -iii, including iii A-M)

Teachers must provide the District with current information and documentation supporting the teacher's certification and qualifications.

Reduction and recall decisions will be based on the teacher's certification and qualifications in the District's records at the time of the decision.

A laid off teacher must maintain current contact information (address, phone, and email address) with the Superintendent's office.

Failure to maintain current contact information may negatively impact the teacher's recall.

Teacher reductions and recalls are by formal Board action.

Before the Board authorizes a teacher reduction, the Superintendent or designee will notify, in writing, the affected teacher of an opportunity to respond, either in person or in writing, to the proposed reduction.

The Superintendent or designee will provide written notice of Board reduction in force or recall decisions to each affected teacher.

A teacher's length of service with the District or tenure under the Teachers' Tenure Act will not be the sole factor in reduction in force and recall decisions.

Teacher reduction in force and recall decisions will be implemented by the process defined in Board Policy 4405.

Teacher Performance Evaluation

This language is intended only as a summary of Board policy 4403, the portions referring specifically to teachers as defined above. This summary does not alter or limit the Board policy in any way, nor does it subject the policy, including this summary, to grievance or arbitration unless expressly provided by law. (See Board Policy 4403 for additional details)

The Board's authority shall not be limited by policy or this summary in any decisions to non-renew a professional staff member's contract at the end of the contract's term.

Teachers will be evaluated pursuant to a performance evaluation system consistent with Revised School Code Section 1249 and the Teachers' Tenure Act. This performance evaluation system will include, as appropriate, the following:

1. a year-end evaluation process that meets statutory standards;
2. an evaluation tool that incorporates components required by law, including:
 - a. locally agreed-on student growth and assessment data or student learning objectives, as defined by Revised School Code Section 1249;
 - b. the teacher's performance; and
 - c. objective criteria.
3. an individualized development plan (IDP) with performance goals developed by the evaluator in consultation with the teacher and recommended training designed to improve the teacher's effectiveness for:
 - a. all probationary teachers;
 - b. teachers rated minimally effective or ineffective during the 2023-24 school year school year;
 - c. teachers rated needing support or developing; or
 - d. at the evaluator's discretion when performance deficiencies are noted.
4. classroom observations of at least 15 minutes each which include, at a minimum, a review of the teacher's lesson plan, the state curriculum standard used in the lesson, and pupil engagement, with appropriate written feedback and a post-observation meeting between the teacher and the school administrator conducting the observation to discuss those items;
5. a mid-year progress report, if required by law, which aligns with the teacher's individualized development plan, includes specific performance goals

developed by the evaluator, and any recommended training identified by the evaluator;

6. a year-end performance evaluation effectiveness rating, of effective, developing, or needing support;
7. tenured teachers rated as highly effective or effective on the 3 most recent consecutive year-end evaluations may be evaluated triennially, but if the teacher is not rated as effective on one of the triennial year-end evaluations, the teacher must receive year-end evaluations;
8. a mentor for teachers rated developing or needing support or for teachers in the first year of probation;
9. opportunity for a tenured teacher rated needing support on a year-end evaluation to request a review consistent with Revised School Code Section 1249;
10. a tool approved by MDE, a modified MDE tool, or a local evaluation tool if adopted in compliance with Revised School Code Section 1249 and corresponding regulations;
11. website posting of required information for the evaluation tool;
12. training on the evaluation tool for teachers and evaluators as required by law; and
13. other components that the Superintendent or designee deems relevant, important, or in the District's best interests.

If a tenured teacher is rated ineffective or needing support on 3 consecutive year-end evaluations, the teacher shall be discharged consistent with due process. The District is not precluded from discharging a teacher at other times as provided by the Teachers' Tenure Act.

If a teacher receives an unevaluated rating, the teacher's rating from the school year immediately before the designation must be used.

The parties agree to convene and determine student growth measures for Center Program teachers and KCTC teachers during the summer of 2024. If no mutual agreement can be met by the start of the 2024-25 school year, unless contrary to RSC 1249, the same growth measures used in the 2023-24 school shall apply for the 20% of the teacher's evaluation.

Grievance Procedure. An alleged violation of this Appendix is not subject to grievance or arbitration. Probationary teachers cannot challenge any decision concerning evaluation, placement, and layoff/recall. An Arbitrator, however, has jurisdiction to consider a grievance filed under the Article V grievance procedure by a tenured teacher

after receiving two (2) consecutive ratings of "Needing Support" on their most recent performance evaluations.

APPENDIX C

Personnel Provisions Pertaining Only to Certificated Non-Classroom Teachers

For the purposes of this collective bargaining agreement, subjects contained in this Appendix "C" shall apply only to certificated persons within the bargaining unit who are not currently assigned to deliver instruction directly to pupils as teacher of record.

Placement

This language is intended only as a summary of Board policy 4402, the portions referring specifically to certificated non-teaching professionals. This summary does not alter or limit the Board policy in any way, nor does it subject the policy, including this summary, to grievance or arbitration unless expressly provided by law. (See Board Policy 4402 for additional details)

Certificated Non-Teaching Professionals

If no applicable collective bargaining agreement or individual employment contract exists or if an existing collective bargaining agreement or individual employment contract agreement does not address the assignment or transfer of Certificated Non-Teaching Professionals, the Superintendent or designee is authorized to assign and transfer Certificated Non-Teaching Professionals at the Superintendent's or designee's discretion.

Reduction in Force and Recall

This language is intended only as a summary of Board policy 4405, the portions referring specifically to certificated non-teaching professionals. This summary does not alter or limit the Board policy in any way, nor does it subject the policy, including this summary, to grievance or arbitration unless expressly provided by law. (See Board Policy 4405 for additional details)

Reduction in Force and Recall of Certificated Non-Teaching Professionals

If no collective bargaining agreement exists, or if an existing agreement does not address reduction in force or recall of Certificated Non-Teaching Professionals, the Superintendent will recommend a reduction in force or recall among Non-Teaching Professionals using the same standards and procedures as set forth in this Policy for teachers.

Performance Evaluation

This language is intended only as a summary of Board policy 4403, the portions referring specifically to certificated non-teaching professionals. This summary does not alter or limit the Board policy in any way, nor does it subject the policy, including this summary, to grievance or arbitration. (See Board Policy 4403 for additional details)

Certificated Non-Teaching Professionals Subject to the Teachers' Tenure Act

The performance evaluation system for a Non-Teaching Professional with a teaching certificate who is subject to the Teachers' Tenure Act must include multiple observations. An IDP will be developed during the employee's probationary period. Except during the probationary period, which must include annual evaluations, the Superintendent or designee will evaluate the employee's performance at intervals determined by the Superintendent or designee. The Superintendent or designee has discretion to select and use an evaluation tool that serves the District's best interests.

The Superintendent or designee also has discretion to implement an IDP if performance deficiencies are noted, regardless of the employee's effectiveness rating.

Grievance Procedure. An alleged violation of this Appendix is not subject to grievance or arbitration.

APPENDIX D

**Letter of Agreement between
Kent Intermediate Education Association (KIEA)
and
Kent Intermediate School District (Kent ISD)**

(Prior Version)

The parties previously reached ratification of the existing multi-year collective bargaining agreement currently in effect. Despite the current contract in place, the administration and the Association informally collaborated on a potential replacement for Article VII Sec C – 2(a), pertaining specifically to KCTC student organizations and related advisor compensation. The parties now seek to formalize a mutual agreement in replacing Article VII Sec C – 2(a) with the language below, to take effect beginning with the 2024-25 school year. These provisions shall pertain only to KCTC, not eligible to other bargaining unit employees assigned outside of KCTC.

Given that these provisions for KCTC student organizations do not closely align to purpose and intent of Article VII, the provisions for KCTC student organization advisors and related extra compensation shall in the future become an appendix to the contract, referenced briefly within Article VIII.

The annual selection of bargaining unit staff to fulfill the roles below, as necessary, shall be determined by the KCTC principal, in consultation with the School Leadership Team. In all cases, the principal shall make the final determination from those who submit for consideration. Completion and approval of a CTSO / SO application verifies the employee's agreement to carry out the responsibilities and duties of the respective role. Approval for any of the listed roles does not carry forward to the next school year. In the event that there is a need for one or more of the listed roles below, a CTES employed at KCTC may be considered and selected if, in the discretion of the KCTC principal there is no KIEA unit member from KCTC sufficiently suited for the role. If a CTES is selected, the respective stipend amount shall apply.

2025*

The parties previously reached ratification of the existing multi-year collective bargaining agreement currently in effect. Despite the current contract in place, the administration and the Association once again informally collaborated on a potential revision to Appendix D (which relates to Article VII Sec C – 2a,) pertaining specifically to KCTC student organizations and related advisor compensation. The parties now seek to further revise and formalize a mutual agreement in revising Appendix D with the language below, to take effect beginning with the 2025-26 school year. These provisions shall pertain only to KCTC, not eligible to other bargaining unit employees assigned outside of KCTC.

The annual selection of bargaining unit staff to fulfill the roles below, as necessary, shall be determined by the KCTC principal, following consultation with the School Leadership Team. It is intended that the principal give consideration to Lead and/or Co-Advisor candidates who have professional expertise in the CIP code pathways that represent the largest number of students participating in competitions. In all cases, the principal shall make the final determination from those who submit for consideration. Completion and approval of a CTSO / SO application verifies the employee's agreement to carry out the responsibilities and duties of the respective role. Approval for any of the listed roles does not carry forward to the next school year. In the event that there is a need for one or more of the listed roles below, a CTES employed at KCTC may be considered and selected if, in the discretion of the KCTC principal there is no KIEA unit member from KCTC sufficiently suited for the role. **Letter of Understanding between
Kent Intermediate Education Association (KIEA)
and
and Kent Intermediate School District (Kent ISD)**

The parties previously reached ratification of the respective multi-year collective bargaining agreement currently in effect through August 13, 2027. Despite the current contract in place, the parties mutually agree that following changes to Article IX C (4) and M (1 and 3) will take effect beginning with the 2025-26 school year.

PROFESSIONAL COMPENSATION AND BENEFITS

C. Salary Schedules

4. Any advanced hours must be earned after a degree is awarded in order to be credited on the salary schedule, except for those Master's degrees requiring more than thirty (30) graduate credit hours, in which event the bargaining unit member's record will be evaluated at the time of initial employment and credit shall be given, in accordance with university requirements, for those hours required by the university in excess of thirty (30) graduate credit hours.

To receive salary schedule lane advancement credit, the following categories and criteria shall apply:

- a. Planned programs of study (all courses taken and degrees conferred) will be from a regionally accredited college or university leading to a graduate degree, Michigan teacher certification, Michigan ancillary license or an additional teaching endorsement that are of pertinence and value to Kent ISD. Such planned programs require pre-approval by Kent ISD Office of Human Resources.
- b. Also subject to pre-approval, individual work-related graduate level college / university courses taken from a regionally accredited college or university may be approved to apply toward lane advancement. Individual courses or non-degree course clusters shall be reviewed by Human Resources, in consultation with program administrators to determine the overall value, rigor and relevance of the individual's position responsibilities and duties. Courses that are determined to fall short of that threshold may be denied for lane advancement.

Examples of common individual graduate level courses that have been previously pre-approved by Human Resources though his process will be placed on a list that is maintained by Human Resources. The list will be updated by semester, or at least annually and made available on the Human Resources webpage. This list may be used as a general reference of prospective courses a member may consider for a potential pre-approval request.

Under no circumstances shall this list obligate Human Resources to approve any courses on the list. It is understood that courses are approved based on their value, rigor, and relevance to the individual's respective position, responsibilities and job duties. Furthermore, courses, course numbers and content can sometimes vary from one year to another.

This language applies prospectively to pre-approved programs and/or pre-approved courses after the conclusion of the 2024-25 school year. Existing salary schedule lane placements as of June 30, 2025 shall remain unchanged except where course credits have been pre-approved for advancement.

Official transcripts will be ordered by the bargaining unit member and sent to the Human Resources Department by the college or university to document the advanced credit. Transcripts will be paid for by the bargaining unit members. Eligible lane adjustments will be made at the beginning of each semester if all eligibility requirements have been met. Placement on the salary schedules listed in the Appendix of the agreement is determined by the following:

BA = Completion of an undergraduate BA degree program with a four (4) year diploma from a college or university. (See Section C.10 for Annual Authorization of Vocational Education Instructors.)

BA +18 = To qualify for the BA +18 salary schedule, a bargaining unit member must have successfully completed probation in a KENT ISD bargaining unit position. In addition, eighteen (18) semester hours of approved graduate credit in education or work-related courses must be earned after a BA degree is awarded.

MA = Master's degree in education or a work-related field acceptable to the Board.

MA +15 = Fifteen (15) semester hours of approved graduate credit in education or work related courses earned after the award of a Master's degree described above.

MA +30 = Thirty (30) semester hours of approved graduate credit in education or work-related courses earned after the award of a Master's degree described above, or holding an active ancillary license that required an MA graduate degree program of at least 57 graduate credits.

MA + MA shall be accepted as an alternative to MA +30.

M. Reimbursement for Costs of Continuing Education

1. Bargaining unit members shall have the right to submit a request form for tuition reimbursement pre-approval toward the cost of continuing education. The Board shall have the right to use its sole discretion in approving or rejecting any such request.
3. Subject to language and available funds each member may be reimbursed 3 credits per school year. Reimbursement for credits taken beyond the three (3) up to a maximum of nine (9) credits is subject to funds remaining in the reimbursement pool at the end of the school year.

- a. Classes taken during the Summer and Fall will be reimbursed and counted toward the current school year and will be eligible for the first semester reimbursement. Classes taken in the Winter and Spring will be eligible for second semester reimbursement. Reimbursement for Summer courses will be paid no later than the first pay period in October assuming all required documentation is submitted to the HR office no later than September 15. Reimbursement for Fall courses will be paid no later than the first pay in February assuming all required documentation is submitted to the HR office no later than January 30th. Reimbursement for Winter and Spring courses will be paid no later than the final pay in June, assuming the required documentation is submitted no later than June 1st.
- b. At the end of the school year any remaining funds in the pool will be redistributed for reimbursement to any members who still have amounts outstanding for reimbursement.
- c. The tuition reimbursement pool applies only to existing bargaining unit members and will not be used for classes taken solely at the request of Administration. Classes requested by Administration will be paid from different funds. The pool allocation for tuition reimbursement shall be \$70,000. The tuition reimbursement pool and disbursement language will be maintained at the above stated amount; however, half of the total pool will be available first semester and half will be offered second semester.
- d. An additional \$5,000.00 (\$2,500.00 each semester) shall be available exclusively for those staff members who:
 - 1. are working under a temporary vocational authorization and are required by the district to complete six (6) credits annually.
- e. An additional \$5,000.00 (\$2,500.00 each semester) shall be available exclusively for those staff members who:
 - 1. are working in center programs under a MDE full-year permit or waiver, as required by the District and are therefore required by the district to complete six (6) credits annually toward obtaining the necessary certificate endorsement.

Such staff members shall be eligible for reimbursement from the general tuition pool subject to the disbursement language in section M 3(a) – 3(b).

This one-time agreement does not add to, alter or negate any other contractual provisions of the respective collective bargaining agreement between the parties, nor does it create is custom or practice.

Letter of Understanding between
Kent Intermediate Education Association (KIEA)
and
Kent Intermediate School District (Kent ISD)

Appendix H
as of August
2025

The parties previously reached ratification of the 2024-2027 multi-year collective bargaining agreement currently in effect. The parties agreed as part of that negotiation to work collaboratively on the development of student growth criteria as required under MCL 380.1249 for teachers of record.

The 5D+ framework represents the professional practices aspect of the teacher's evaluation which is currently determined by law to be 80% of the instructor's evaluation. A work group representing instructors from KCTC and the administration met multiple times over the course of the 2024-25 school year to address this matter for all teachers within secondary CTE programming. Based on that collaborative process, the parties agree that the remaining 20% of a teacher's evaluation will be based on the following:

The 20% student growth must be focused on long-term academic and instructional goals that support student learning and outcomes. The team agreed that if all instructors can demonstrate their efforts and contributions toward the quality-focused CTE Program Indicators below, student growth and academic performance will reach and remain at quality program levels.

- Work-Based Learning
- CTE Certifications / Credentials
- MTSS Implementation
- Embedded Math Instruction

The assigned building administrator(s) will review and consult with the Instructor about the proposed Growth Plan, which includes the growth goal portion for the 20%. Growth plans are expected to be finalized no later than the end of October. The instructor will have the opportunity to share and review the respective progress, contributions and efforts made toward the quality-focused CTE Program Indicator(s) prior to the year-end summative evaluation.

The Parties enter into this LOU for KCTC instructors working in a teacher of record assignment only. It is understood and agreed that there may be additions and/or adjustments made to these student growth indicators and criteria in future years, subject to mutual agreement of the parties.

Consistent with Appendix B (Additional Personnel Provisions and Procedures Pertaining Only to Classroom Teachers) of the master agreement between the parties, any alleged contract violation pertaining to teacher evaluation is not subject to grievance or arbitration, except as allowed by law.

This letter of understanding does not alter, modify or nullify any aspect of the collective bargaining agreement between the parties, but instead completes that specific previously unresolved aspect of the prior negotiations that was delayed to allow this collaborative work to occur.
